Battle Creek Area Catholic Schools
2011-2012 Family Service Hour Recording Form

Parents make many sacrifices of time, talent and treasure to give the gift of Catholic education to their children. A commitment of twenty five hours of volunteer service is required. It is each family's willingness to work on school projects that contribute to the success of our schools and promotes a greater sense of community among our parents. If you have chosen to volunteer your time in lieu of the $250 fee, please record the project, the date and the total time spent on that activity.

Parent's Name (please print): _____

Project	Date	Hours	Project	Date	Hours
			Total Hours		

We appreciate your service to our schools. Please be sure to return your completed form to your school office by ***May 1, 2012***, or as soon as you have completed the 25 hours.*

Please contact Cathy Erskine at 269.963.1131 or cerskine@bcacs.org with questions, or if you need assistance in finding volunteer opportunities.

****If you find that you cannot accomplish all 25 hours as you had intended, turn in the hours you have completed. This will allow us to prorate your fee at $10 an hour.***
